North Shore Snow Day Challenge

January 4, 2018

Good morning, Vikings!

It's our very first Snow Day together and I wanted to give you something fun to do while you wait out a snowy day. There is no need to feel cooped up or bored, so set your video games aside and give this one a shot!

Will Wonders Ever Cease Challenge?

Part I

Use your legos or any other objects to build, sketch, draw, color or paint one of the Seven Wonders of the World. You can go with one of the originals from the Ancient World, or choose one from either the Modern World, of the "New" Seven Wonders of the World. The choice is totally yours!

Part II

Weather conditions permitting, build your design out of snow!

It is very important that you please be sure to make sure your parents say it safe to be outside.

Tweet your photos back to me on Twitter: @PeterGiarrizzo or email them to me at giarrizzop@northshoreschools.org and I'll retweet them so that our Viking Nation can admire your work.

Deadline: Thursday, January 4, 2018 at 8 PM

Have Fun!!!
